

Using PayPal for Torch Lake Sailing School Credit Card Payments

TLSS uses PayPal to securely process our Credit Card transactions. You do NOT need a PayPal account to pay this way. If you submit one of our forms, you will be taken to PayPal to complete the transaction. If you do NOT complete the transaction on PayPal, your form submission will **NOT** be processed and you will need to complete the process again.

When you complete your form, you will be taken to PayPal to submit your payment. When you have completed the form and click on 'submit' you will see the following PayPal page. If you do not have a PayPal account, you should click on 'Pay with Debit or Credit Card'.

Using PayPal for Torch Lake Sailing School Credit Card Payments

Once you click on 'Pay with Debit or Credit Card', you will see the screen which allows you to enter your credit card information and your contact details. The amount you will pay is shown at the top (in the example it is \$50).

The screenshot shows the PayPal payment interface for Torch Lake Sailing School. At the top, the school's logo and name are displayed. The PayPal logo is prominent, and the payment amount is shown as \$50.00 USD. Below this, the heading 'Pay with debit or credit card' is followed by a disclaimer: 'We don't share your financial details with the merchant.' The form includes a dropdown for 'Country/Region' set to 'United States', a row of credit card logos (MasterCard, American Express, VISA, Discover, and Debit), and input fields for 'Card number', 'MM / YY', and 'CW'. A 'Billing address' section contains fields for 'First name', 'Last name', 'Street address', 'Apt., ste., bldg. (optional)', 'City', 'State', and 'ZIP code'. The 'Contact Information' section has a 'Phone type' dropdown set to 'Mobile', a 'Phone number' field with '+1' as a prefix, and an 'Email' field with an information icon.

If you cancel this payment, you will be returned to the form page, with the following error message displayed at the bottom of the form. This means your submission has NOT been accepted:

PayPal authorization was cancelled. Please try again.

If you complete the payment successfully, you will be presented with a message that your submission was accepted.
